The 3rd Makinohara Surfing and Gastronomy Test Tour

The first large wave pool in Japan, opened in 2021!

Shizunami Surf Stadium PerfectSwell®

This wave pool features a wave generation system used for surfing. It is popular all around the world and has been introduced for the first time in Japan!

Shizunami Surf Stadium PerfectSwell® is the first authentic large surf pool of its kind in Japan.

This pool uses the latest wave generation technology to produce the perfect waves for everyone from beginner learners to professional surfers. Because waves can be created repeatedly in the same consistent quality, learners can practice to really improve. Even first-time learners will get a chance to experience surfing under the guidance of an instructor!

At Shizunami Beach

Yoga Experience

Under a bright blue sky, listen to the sound of the waves and feel the sea breeze all around you as you relax both your heart and mind in this rejuvenating yoga session!
